This program is for patients of Family Health **only**. \$5 prescriptions are for short-term medications at a commonly prescribed dosage for \$5 prescription fill or refill. Your participation in certain drug coverage plans may entitle you to pay even less than \$5 for certain prescriptions. If you are eligible, you will be charged the lowest applicable amount. You can get these prescription drug savings whether or not you have any prescription drug coverage through your company, under Medicare or any other plan. The list of drugs is subject to change. **Not all prescriptions are covered by this program.**
