

GENERIC Prescription Program

\$5 30-day Supply or **\$10**
90-day Supply

This program is for patients of Family Health **only**. \$5 prescriptions are for up to a 30-day supply at a commonly prescribed quantity. Your participation in certain drug coverage plans may entitle you to pay even less than \$5 for certain prescriptions. You may get a 90 day supply at the most common quantity for that dosage for \$10. If you are eligible, you will be charged the lowest applicable amount. You can get these prescription drug savings whether or not you have any prescription drug coverage through your company, under Medicare or any other plan. The list of drugs is subject to change. **Not all prescriptions are covered by this program.**
